

WIRELESS BROADBAND SPEND MANAGEMENT TOOLS

Upon commencement of your Wireless Broadband account you will

- Receive a link to view and monitor your data usage .
- Receive Data Alerts at 50% 85% and 100% of data usage

If you choose to continue to use data after your chosen Data Limit is reached

- A charge of .05 cents or .07 cents per mb will accrue on data used over your limit
This will depend on the account plan you are on
- Access will continue until your Plan Cap is reached when access will be suspended

Options :

- You can choose to upgrade or downgrade your monthly data plan :
 - any change to your account Plan will incur a \$7 plan change fee
 - And
 - Any change will not come into effect until the 1st of the following month
- You can choose to purchase a prepaid SIM card to use once your monthly data limit is reached.
