Current Email address _____

	200GB 12/1		200GB 4G		500GB 4G	
Speed up to	12/1 Mbps		4G Speeds		4G Speeds	
\$ per month	\$69.00		\$79.00		\$99.00	
Price per GB	.35cpGb		.40cpGb		.20 cpGb	
Data per month	200GB pm		200GB		500GB	
Modem : Huawei	\$240.00		\$240.00		\$240.00	
SIM card	\$14.95 required for all plans					
Contract	No Contract : Month to Month					
Data top up	\$2.00 per GB		\$15 per 10GB		\$15 per 10GB	
Excess data charge over 50GB	\$2.00 per GB		\$15 per GB		\$15 per GB	
Minimum Charge	Modem + 1 month \$319.00		Modem + 1 month \$329.00		Modem + 1 month \$349.00	

Terms & Conditions :

- These Plans require a Huawei or Netcom modem : No other devices are supported for these plans
- Sim card charges are in addition to Plan charges
- Data usage is calculated as a combined total of uploads and downloads in a billing month.
- Included usage not used in the month does not carry forward
- These plans provide access to Optus 4G network only (no 3G)
- Roaming is not available on these plans
- Speeds are variable and will depend on a number of factors including congestion, location, local conditions, hardware, software and general internet traffic
- HWBB plans may only be used for data usage
- These plans are for new activations only. No plan changes/swaps are permissible
- These plans are subject to location qualification to ensure availability of service
- Account Terms are monthly in advance paid nett 7 days via EFT or on 1st of the month via credit card.

200GB 12/1 :

- The plan speed for this plan is capped at 12/1 Mbps within areas with access to 2300MHz band. In all other areas the speed is capped to 5/1Mbps.
- Plan speeds for Limited plans will reduce to 256Kbps once the data usage has reached 200GB
- Excess data charges apply to total calculated usage in excess of the included usage rounded up to the whole GB

4G Plans :

- Speeds are variable and will depend on a number of factors including congestion, location, local conditions, hardware, software and general internet traffic
- For any usage above the allowance, excess data will be charged in 10GB blocks up to an incremental 50GB
- For any usage above the incremental 50GB excess will be rounded up to the whole GB
- Plan speeds for 4G plans will reduce to 256Kbps once the data usage exceeds the incremental 50GB over and above the allowance
