RBE INTERNET SERVICES
Wireless Broadband Monthly Access
Terms and Conditions

Data Allowance:

Downloads and uploads are counted towards the monthly Data Allowance

Includes data usage only

Excludes use for all other traffic, including but not limited to, Voice, Voicemail and SMS. RBE Internet reserves the right to stop such traffic and apply usage charges at a rate it determines.

Data Allowances apply per individual service and are not aggregated across multiple services.

Unused Data Allowance expires at the end of each monthly billing cycle and is not refundable or transferable.

Unused Data Allowance on prepaid accounts flows into the new period if account is topped up before expiry.

Data usage includes (but is not limited to) access to email, WAP services, Applications and Internet browsing directly from a mobile device or by using the mobile device as a tethered modem (via WiFi, Bluetooth, cable etc.).

Any downloaded content, such as ringtones or logos, may incur additional charges

If a plan is changed mid billing cycle on an active monthly service changes will not come into effect until the 1st of the following month.

On a prepaid account if you use 8GB in one month your account will be suspended until the 1st of the following month.

SIM Cards : SIM cards are available upon request (\$14.95)

General :

All prices include GST

Plan Changes : a requested change to a current plan listed will incur a fee of \$13.00. To move to a new plan you may need to purchase a new SIM card.
